What's going on  
you keep creeping out the back door  
the moment i'm gone  
you've been acting like some kind  
of stranger for far too long

all my girls keep trying to tell me that  
something is wrong  
so stop playing dumb  
you've been hanging out real late  
while i'm home alone  
i've heard enough and i won't take it no more

baby you're,  
Misbehaving, you're telling me lies  
Misbehaving, quit making me cry  
tell me i'm the only one in your life  
you better step up, before I say goodbye  
Misbehaving, you're telling me lies  
Misbehaving, quit making me cry  
tell me i'm the only one in your life  
you better step up, before I say goodbye

I'm starting to tell  
that you really don't wanna be here  
I know you too well  
and it's breaking my heart  
just the way that you are  
don't think you're gonna make a fool of me  
you better think again or I'll be free

I'll walk away from you so easily  
just pushing you will see  
you've been hanging out real late  
while i'm home alone  
i've heard enough and i won't take it no more

baby you're,  
Misbehaving, you're telling me lies  
Misbehaving, quit making me cry  
tell me i'm the only one in your life

you better step up, before I say goodbye  
Misbehaving, you're telling me lies  
Misbehaving, quit making me cry  
tell me i'm the only one in your life  
you better step up, before I say goodbye

you know I want you  
you know I need you  
but I can't carry on the way you treat me

you know I want you  
you know I need you  
I'm so confused so baby don't deceive me (reapeat 2x)

you've been hanging out real late-acap
