You spin me right round, baby
Right round like a record, baby
Right round, round, round
You spin me right round, baby
Right round like a record, baby
Right round, round, round

If I, I get to know your name
Well if I, could trace your private number, baby
All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
I want some, want some

You spin me right round, baby
Right round like a record, baby
Right round, round, round
You spin me right round, baby
Right round like a record, baby
Right round, round, round

I set my sights on you
And I, I've got to have my way now, baby
All I know is that to me
You look like you're having fun
Open up your lovin' arms
Watch out here I come

I got to be your friend now, baby
And I would like to move in just
a little bit closer
All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
Watch out, here I come

You spin me right round, baby
Right round like a record, baby
Right round, round, round
You spin me right round, baby
Right round like a record, baby

Right round, round, round

I got to be your friend now, baby
And I would like to move in just
a little bit closer
I, Ive got to have my way now, baby
All I know is that to me
You look like youre having fun
Open up you lovin arms
Watch out (3) here I come

You spin me right round, baby
Right round like a record, baby
Right round, round, round
You spin me right round, baby
Right round like a record, baby
Right round, round, round

I want your love...
I want your love...
All I know is that to me
You look like youre lots of fun
Open up your lovin arms
Watch out, here I come

You spin me right round, baby
Right round like a record, baby
Right round, round, round
You spin me right round, baby
Right round like a record, baby Right round, round,
round (Fading)
