yesterday, i saw you on the street with the one you
chose over me, i hid my face i didn't know if i was
scared or embarrassed. you smiled at her,
the same smile that you gave me,
when you used it i couldnt breathe i was flying, but you
were lying.

how could you tell me, that you loved me,
if it wasn't true at all does she make you feel brand
new, like you said that i used to,
would she be there if you were to fall? i would have
given you my all

today, I'm gonna have to clear my mind,
find things to do with my time,
i run across the picture from that day,
so i tell myself I'm o.k as I'm crying but I'd be lying

how could you tell me, that you loved me,
if it wasn't true at all does she make you feel brand
new, like you said that i used to,
would she be there if you were to fall? i would have
given you my all

how could you tell me, that you loved me,
if it wasn't true at all does she make you feel brand
new, like you said that i used to,
would she be there if you were to fall?
i would have given you my all, my all, my all
