My face is covered with blood
There is nothing but pain
In the pleasure I passed close

I can't tell where I'm going to
I'm running, all confused
To the Death itself

Then I see you standing here
I can't do nothing but run away
I pursue you in my hallucinations

Look out ! I'm raving mad
You can't stop my sadness
My dreams cut up into pieces flow in the madness

(I'll slice my face covered with blue blood)
(Give me some more pain)
(Give me the throes of death)

As my desire, my blue blood dissolves in my tears
Even if my reincarnated image still dozes there

My heart scared by the loneliness
Still wanders searching passing days

As a phantom my sadness dances in the tragedy
It plays comedy on the stage of my awaked image

The tears overflowing now in my eyes
Reproduces brilliantly my sacrificed love

(Give me some more pain)
(Give me the throes of death)

As a phantom I can't forget my sadness
Even if my reincarnated image still dozes there

My blue tears dance in the tragedy of loneliness
Even now my heart continues to cry
