(So tired)  
I get on leaving cheap time  
I'm never satisfied  
On a 3 hours a.m TV show,  
What was given off from your lips was sex appeal

(Bitch)  
I shoot down your hyper lady's appearance  
I'm never satisfied  
Only five minutes of celebration  
Let's disappear until friday morning !

Cinderella of passed midnight...  
You don't have anymore glass slippers

Elite style Pinocchio's nose  
Breaks and becomes ash  
In the DNA of clock's mechanism,  
Wooden manequin's babble goes nine to five

At this time sun that burns me  
Drags on setting  
Hanging time is drawing closer,  
Let's repulse it until we have counted to three !  
(1,2,3, you got it !!)

From New York to my bedroom,  
A black curtain hides velvet night

Hey ! Celebration !  
Ring a bell ! Swing your heart ! Sing a song !  
Hey ! Celebration !  
Throw away ! Sail away ! Shout it out !  
Come on ! Celebration !  
Purple smoke and illusion  
Stand up ! Revolution !  
Let's set fire to the limousine !

When the clock struck at the midnight,  
The coach turned into a pumpkin and  
The dress became a rug !

And only a glass slipper was left behind.  
Suddenly Cinderella crushed it and  
She kicked her fuckin' old stepmother out.  
And, she started for the real celebration  
That would start very soon.

In this city where moon was laughing,  
The final voice did not rise

Hey ! Celebration !  
Ring a bell ! Swing your heart ! Sing a song !  
Hey ! Celebration !  
Throw away ! Sail away ! Shout it out !  
Come on ! Celebration !  
Throughout this world  
Cheers ! Congratulations !  
Let fall the blue blood's wine !
