The tambourines are shaking
But I don't hear a sound
It's my favorite song
But I don't like the crowd
Wish I was able to see what you see
Turn all the words into poetry

So I close my eyes
I'm focused on whatever's
Spinning in my mind
And I try to find a sign
But I never learn to read between the lines

I know that sometimes
My eyes are too blue
But I am still counting
On the stars for a clue

So I close my eyes
I'm focused on whatever's
Spinning in my mind
And I try to find a sign
But I never learn to read between the lines

The tambourines are shaking
But I don't hear a sound
It's my favorite song
But I don't like the crowd
Wish I was able to see what you see
Turn all the words into poetry
