"The Park"

Visit "[The Park](#)" on MotoLyrics.com

We were hanging in the parks at night
Making comments on the people passing by
And the colour of the sky
An image that is stuck in my mind

I'm not sure the morning ever arrives
'Cause another morning brings another light
And colour of the sky
You and me are stuck in time

Please don't bring it up
Please don't bring it up tonight
I don't care if it is for real or in my mind

Far away the shimmering lights
Reminding us of distant times
In the corner of our minds
Please don't bring it up tonight

Please don't bring it up
Please don't bring it up tonight
I don't care if it is for real or in my mind

Please don't bring it up
No don't bring it up tonight
I don't care if it is for real no not tonight
