But your head against my life

What do you hear

A million words just trying to make

The lovesong of teh year

Close your eyes, but dont forget

what you have heared

A man hoÂ's trying to say a few words

words that makes me scared

Chorus: A million lovesongs later

and here I am trying to tell you

that i care

A million lovesongs later

And here i am.

Look in to the future now

this is what i see

A million chances past me by

a million chances to hold you

take me back-take me back

to were I use to be.

And hide away from all my thoughts

throug the light i see

Chorus!

I mist a million, a million chances to love you

I mist a million, a million chances to sho you that i care

I mist a million, a million chances to tought

So baby will you always be there

Chorus
