I come to your door  
to see you again  
but where you once stood  
was an old man instead  
I asked where you'd be  
he said  
"she's moved on you see  
all I have is a number  
you'd better ask her not me"  
so I picked up the phone  
and dialled your number  
not sure to put it down or speak  
the a voice I once knew answered  
in a sweet voice  
she said hello and then paused  
before I began to speak  
babe (babe) I'm here again (I'm here again)  
I tell you I'm here again (babe)  
where have you been (where have you been)  
babe (babe) I'm back again  
I tell you I'm back again (babe)  
where have you been

you held your voice well  
there were tears I could tell  
but where were you now  
was you gonna tell me in time  
just give me a town  
and I'll be straight down

I've got so much to tell you  
about where I have been  
as I walk down your road  
I can't wait to be near you

(I) I can't keep (I) the feeling inside  
(I can't keep it inside)  
as I stand at your door  
you answer in a sweet voice  
you say hello then pause  
before I begin to speak

babe (babe) I'm here again (I'm here again)  
I tell you I'm here again (babe)  
where have you been (where have you been)  
babe (babe) I'm back again  
I tell you I'm back again (babe)  
where have you been

as you looked away  
I saw a face behind you  
a little boy stood at your door  
(boy stood at your door)  
and when I looked again  
I saw his face  
was shining  
he had my eyes (my eyes)  
he had my smile (my smile)

babe (babe) I'm back again (I'm here again)  
I tell you I'm back again (babe)  
I'll be here for you  
(where have you been)

babe (babe) please take me back (I'm back again)  
take me back (babe)  
back home again

babe (babe) please hold me close (I'm here again)  
hold me close (babe)  
like you used to do (where have you been)

babe (babe) just me and you (I'm back again)  
you and me (babe)
