I guess now it's time

For me to give up, I feel it's time.

Got a picture of you beside me,

Got your lipstick mark still on your coffee cup.

Got a fist of pure emotion,

Got a head of shattered dreams,

Gotta leave it, gotta leave it all behind me.

Whatever I said, whatever I did,

I didn't mean it, I just want you back for good.

(Want you back, want you back, want you back for good.)

Whenever I'm wrong, just tell me the song

And I'll sing it, you'll be right and understood,

(Want you back, want you back, want you back for good.)

I want you back for good.

Unaware but underlined I figured out the story

It wasn't good

But in the corner of my mind I celebrated glory

But that was not to be

In the twist of separation you excelled at being free

Can't you find a little room inside for me

Whatever I said, whatever I did

I didn't mean it, I just want you back for good.

(Want you back, want you back, want you back for good.)

I want you back for good

Whenever I'm wrong, just tell me the song,

And I'll sing it, you'll be right and understood,

(Want you back, want you back, want you back for good.)

I want you back for good.

And i will be togheter,

This time is forever,

We'll be fighting, yes forever we will be,

So complete in our love, we will never be uncovered again.

Whatever I said, whatever I did

I didn't mean it, I just want you back for good.

(Want you back, want you back, want you back for good.)

Whenever I'm wrong, just tell me the song,

And I'll sing it, you'll be right and understood,

(Want you back, want you back, want you back for good.)

I want you back for good.

I guess now it's time

That you came back for good.
