Visit "[BROKEN YOU HEART](#)" on [MotoLyrics.com](https://MotoLyrics.com)

It's good to be near you,

even though I'm alone

reviing memories of our happy home

no sign of sunlight,

since you ran away

these rooms get darker

now every day

Even though I have broken

even though I have broken your heart

will you still love me,

will you still love me?

The consequences of freedom,

but now you have whtat you dreamded just understand  
that things are not as they seem

Even though I have broken

even though I have broken your heart

will you still love me,

will you still love me?

I don't wanna be lonely

because you're not there for me to be

I don't wanna be lonely

I wanna be loved even though I have broken

even though I have broken

your heart

will you still love me
