Spirits move me, everytime I'm near you

Whirlig like a cuclone in my mind

Your my life line, angel of my lifetime

Answer to all answer I can find

Baby I want you come, come, come into my arms

Let me feel the wonder of all of you

Could it be magic now, now, now and hold on fast

Could it be magic at last

Baby take me high upon a hillside

High up where the stallion meets the sun

I could love you build my world around you

Never leave you 'till my life is done

Repeat chorus

Spirits move me everytime I'm near you

Whirlig like a cyclone in my mind

Repeat chorus
