You've got to hold me, and control my dreams

I want you to fulfil my needs. I feel it babe

Something good is gonna happen

I can't believe in this world I see

I reach out to you, set me free from these chains

I'm holding on, trying hard

Just so you know I'm here waiting for you to

Give good feeling to me,

Baby I know this feeling won't go

Makes you want to be free, in a world where we

Fly, fly, fly.

Don't let me go, I will be your prisoner

Hold me down and I will give you my reasons for

Loving you, meeting you, can't do without ya

If you think I'm crazy for loving you baby

Then I will show you the feeling

Holding on, trying hard

Just so you know I'm here waiting for you to

Give good feeling to me,

Baby I know this feeling won't go

Makes you want to be free, in a world where we

Fly, fly, fly
