And when you rise in the morning sun
I feel your touch my hand in the powering rain
And the moment that you wander far from me
I wanna feel you in my arms again
And you come to me on the summer breeze
Keep me warm in your love then you softly leave

Chorus:

And it's me you need to show
How deep is your love?
How deep is your love?
How deep is your love?
I really need to learn
'Cause we're living in a world of fools
Breaking us down
When they all should let us be
We belong to you and me
I believe in you
You know you're the door to my barest soul
You are the light in my deepest darkest hour
And you are my savour when I fall
And you may not think

That I care for you

When you know down inside that I really do

(Repeat Chorus)

You are the light

And you may not think

That I care for you

When you know down inside that I really do

(Repeat Chorus)
