Woah, woah, woah, woah, woah, yeah, woah, yeah

I thought I found love

With somebody else's girl, yeah

Oooh

Walking round feeling so broken-hearted

Lost in a different world

Then you came in my life

Brought me back to reality someday

Now I don't need a fantasy

You're the only one I need

Chorus:

I found heaven, sweet heaven baby

On the wings of love

I found heaven, sweet heaven baby

On the wings of love

Ooooh

I will never no I'll never

I will never lose my way again

Ooooh yeah

I thought you'd soon be my girl

But my imagination was running wild

Ooooh

I wouldn't listen to a single soul

Deep in a sense of denial

But then you rescued me baby

Opened my eyes and made me see you babe

What real love can be

You're the angel that I need

Chorus

I will never no I'll never

I will never lose my way again

Oh sweet baby

Ooooh

Oh I see heaven in your eyes with me

Yeah, yeah

Oh baby

Now I will give my lovin faithfully

Woah, woah, woah, woah, woah, yeah, sweet baby

Be my angel

Heaven, sweet heaven baby

On the wings of love

I found heaven, sweet heaven baby

On the wings of love

Ooooh

Sweet, sweet baby

I will never no I'll never

I will never lose my way again
