You came to me baby  
and I thought that I saw love in you eyes  
but all the promises you made where not to be  
I should have seen trough your disguise  
oooh no baby you know you always tried to make me  
look the fool  
what's goin' on  
you used to be so good to me now what is wrong  
Chorus:  
Tell me why  
you wanna hurt me  
ist this the way that love has got to be  
now baby I can't take it  
if this is love, then love's not meant for me not meant  
for me  
(oooh if this is love)  
(oooh if this is love)  
What has happened to you lately  
I don't sense that lovin' feelin' anymore  
everytime you bring me down I wanna cry  
do you wanna see me walkin' out that door  
Chorus x 2

Oooh no baby

you know you're always tryin' to make me look the fool

won't you tell me why you hurt me

is this the way that love has got to be no baby I can't  
take it

if this is love then love's not meant for me

Chorus to fade
