Baby, don't you want me to go
So honey, why don't you beg me to stay
For love and talk the way we used to talk
To we both know what we've lost
Never said the words we did before
Till it was over
Love ain't here anymore
No, no, love ain't here anymore
It's gone away to a town called yesterday
Love ain't here anymore
Listen, oh, listen
I don't wanna let go
So baby, we can change the way we feel
For love dumping up the way we did before
Now it's the right time and I'm sure
Never said the words you did before
When it was over
Love ain't here anymore
No, no love ain't here anymore
It's gone away to that town called yesterday
Love don't live here anymore

And when I find a place for me to keep my sweet love
Then I will live in there for ever more
And when I find someone to share
I'll never give up
I will hold on, believe that
This love means too more

Love ain't here anymore
Love ain't here anymore
Love ain't here anymore
Love ain't here anymore
