Deceit and lies,  
is all I've taken  
let me surface to breathe  
no sacrifice,  
no inspiration  
can you understand me?  
Why should I ask you,  
why should I worry?  
you never worry about me  
why should I need you,  
why don't I let you go?  
and let my heartaches run free  
I thought I knew the meaning of life  
now I'm asking you  
why I thought I knew the meaning of life  
Now open wide  
what's on my mind,  
so many questions  
though the answers I can guess  
you slip away  
shelter from confrontation

look my life is such a mess
