Help me escape this feeling of insecurity,

I need you so much, but I don't think you really need me.

But if we all stand up in the name of love,

and state the case of what we're dreaming of,

I've got to say I only dream of you,

But like a thief in the night you took away the love that I knew.

Relight my fire,

your love is my only desire.

Relight my fire,

'cos I need your love.

Turn back the times till the days when our love was new.

(Do you remember?)

No matter what was happening I was there with you.

But if we all stand up for what we believe,

and maybe live within our possibilities,

the world would be wild for the dream,

so baby, don't turn away,

listen to what I got to say.

Relight my fire,

your love is my only desire.

Relight my fire, 'cos I need

Relight my fire,

your love is my only desire.

Relight my fire, 'cos I need oh I need your love.

You got to be strong enough to walk on through the night,

there's a new day on the other side.

You got to have hope in your woul, just keep on walking.

Strong enough to walk on through the night,

Thereeee's a new day on the other side,

and I got hope in my soul,

well I keep walking baby, keep on walking baby.

Relight my fire,

your love is my only desire.

Relight my fire, 'cos I need

repeat to fade
