I'm sitting here waiting for my lover
Last time we met I wasn't so sure
Now I'm hoping, maybe dreaming, for a life as one
When she reads this I'm hoping she'll call
But I need much more than before
I need positive reactions whenever I'm down
Coz I'm sure so sure
That it's heaven knocking on my door
Sure so sure so baby come on inside
Need you so much more and more each time we touch
Sure so sure that it's sweet love I've found
It isn't a game so don't play hard to get
(tired of running after you)
There's no connections holding us down (down)
Isn't it a shame it never happened
Though still here we are the second time round
It's gotta be social, compatible, sexual, irresistible
It's gotta be right for life
(chorus)
Holdin squeezin touchin teasin
Wantin wishin waitin thinkin

Of you love, yeah yeah

Blindin groovin feel it move it

With you girl

It's gotta be social compatible sexual irresistible

It's gotta be right for life

(chorus
