One drink,
Got me feelin' a little hot n' bothered.
(Pour a little more)
2 seconds from doing something awkward

Two drinks,
Oooh, my body's callin' out to you
Oooh, it's callin' out for yoooo.

Three drinks,
Now I'm reaching for my cell phone and...
Eventhough, what I'm doing's wrong and,
It's 3 in the morning, got me feelin' horny
Boy please come console me (yeeeaahh)

I got that drink up in me
I'm feeling extra friendly
It's got me feelin' like doing somethin' freaky to you.
I don't wanna, but I need it
So come on over here and let me just give it to ya

I got that, I got that, I got that drink up in me
So come on over here and let me just give it to ya

I'm comin', doing bout a hundred on the highway
(Tryna get to you)
And baby I been poppin' bottles all day.
(Pull up)
I'm a show you how to do it my way (my way)
Up against the wall in the hallway.
(Open the door)
Rippin' off ya Vickie Secrets, Oooh
Now I got your body screamin' "Blue".
Your rivers' over flowin'
Girl, just keep on moanin'
I'm a keep on gooiinnn'

I got that drink up in me
I'm feeling extra friendly
It's got me feelin' like doing somethin' freaky to you.
I don't wanna, but I need it

So come on over here and let me just give it to ya

I got that, I got that, I got that drink up in me

So come on over here and let me just give it to ya
