There ain't no good in our goodbye-in'  
True love takes a lot of tryin'  
Oh, I'm cryin'  
Let's hang on to what we got  
Don't let go girl, we got a lot  
Got a lot of love between us  
Hang on, hang on, hang on  
To what we got [doo-doo doo-doo doo-doo]  
You say you're gonna go and call it quits  
Gonna chuck it all and break our love to bits  
(Breakin' up) I wish you never said it  
(Breakin' up) No, no, we'll both regret it  
That little chip 'o diamond on your hand  
Ain't a fortune, baby, but you know it stands  
(For your love) A love to try and bind us  
(Such a love) We just can't leave behind us  
Baby (don't you go) Baby (oh no no)  
Baby (think it over and stay)  
There isn't anything I wouldn't do  
I'd go to any price to get in good with you  
(Patch it up) Give me a second turn

(Patch it up) Don't cool off while I'm burnin'

You got me cryin', dyin' at your door

Don't shut me out, open your arms for

(Open up) Your arms I need to hold

(Open up) Your heart, oh girl, I told you

Baby (don't you go) Baby (oh no no)

Baby (think it over and stay
