Ahhhh

Don't let your love go astray, save it for me.

Don't give your sweet kiss away, save it for me.

I know you're feelin' blue

'Cause I feel blue like you.

I'll be strong as long as you are and wait just as long as you...

Don't waste that look I adore, save it for me.

Just wait a little bit more, save it for me.

I know that you must cry,

Cry baby, so do I.

Just sit tight and leave on your light....

'Cause I'm comin' home to your arms,

Oh baby, I'm comin' home to your arms.

Ahhhhhhh, Save it for me.

Ahhhhhhh, Save it for me.

I know that you must cry,

Cry baby, so do I.

I'll be strong as you are

And wait just as long as you

Save it for me.

Save it for me

Oh, Ahhhhh...

Save it for me.

Oh, Ahhhhh...

Save it for me.

Oh, Ahhhhh...

Save it for me.

Oh, Ahhhhhh.....
