He asked me if I was really a woman
I asked him what parts do you wanna see
Iâ€™m more a woman than youâ€™ll ever get, luv
And more of a man than youâ€™ll ever be

We've never been in fashion
We won't give up our game
We live free pumped with passion
Mesomorphic girl's my name

Tomboys of the schoolyard
Captains of the team
Lady-shape made round and hard
Just look at us and dream

Even fatties call us distorted she-males,
We're drugly and we're freaks and we're not right
And they say we're packing more than buttons
When we turn in and turn out the light

We've never been in fashion
We won't give up our game
We live free pumped with passion
Mesomorphic girl's my name

Tomboys of the schoolyard
Captains of the team
Lady-shape made round and hard
Just look at us and dream

She asked me if I was really a woman
I asked her what parts do you wanna see
Iâ€™m more of a man than youâ€™ll ever get, luv
And more a woman than youâ€™ll ever be

We'll never be in fashion
We won't give up our game
We'll live free pumped with passion
Mesomorphic girl's my name

Tomboys of the schoolyard

Captains of the team
Lady-shape made round and hard
Just look at us and dream
