She never yields, or gives herself away
A Sphinx to all, she holds the world at bay
One glance will tell her everywhere youâ€™ve been
Give up the fight, itâ€™s one youâ€™ll never win

You canâ€™t bluff her
They donâ€™t come tougher
Hard as brick,
Sheâ€™s Wunderlich!

For every girl who fetched your cup of joe
Sheâ€™ll set things straight, in case you didnâ€™t know
Donâ€™t match yourself against her and her mind
Sheâ€™ll leave you small, in doubt, and blind

Pushing means trouble
Youâ€™ll wake in rubble
No ordâ€™nary chick
Sheâ€™s Wunderlich!

The mould was smashed the day she came to be
No finer lines, the stuff of fantasy
Though men will swarm like moths into her flame
Not one of them will ever take her name

Black queen of ice, sir
You wonâ€™t entice her
Knows every trick.
Sheâ€™s Wunderlich!
