The Allman Brothers Band---One Way Out  
Written by Elmore James, Marshall E. Sehorn, Sonny  
Boy Williamson

Ain't but one way out baby, Lord I just can't go out the  
door.  
Ain't but one way out baby, and Lord I just can't go out  
the door.  
Cause there's a man down there, might be your man I  
don't know.

Lord you got me trapped woman, up on the second  
floor;  
If I get by this time I won't be trapped no more.  
So raise our window baby, I can ease out soft and slow.  
And lord, your neighbors, no they won't be  
Talking that stuff that they don't know.

Lord, I'm foolish to be here in the first place,  
I know some man gonna walk in and take my place.  
Ain't no way in the world, I'm going out that front door  
Cause there's a man down there, might be your man I  
don't know.  
Cause there's a man down there, might be your man I  
don't know.  
Cause there's a man down there,

Freely  
Lord, it just might happen to be your man...  
Lord, it just a might be your man,  
Oh baby, I just don't know...
