"Gravity"

Visit "[Gravity](#)" on MotoLyrics.com

It's hard to keep my feet on the ground
the way I'm feeling right now
no gravity could be
ever containing me.
no, no, no-o-o

I feel I'm falling skywards
a force to be reckoned with
and the emptiness i see
could it control me?
and nothing will be stopping me.

not even the gravity
gravity
not even the gravity
not even the gravity

It's hard to keep my feet on the ground
the way I'm feeling right now
no gravity could be
ever containing me.
no, no, no-o-o

I feel I'm falling skywards

a force to be reckoned with
and the emptiness i see
could it control me?
and nothing will be stopping me.

gravity

Only one direction that I know
it's up and im about to go
only one direction that i know and its up

Only one direction that I know
it's up and im about to go
only one direction that i know and its up

gravity

gravity-y-y-y
not even the gravity
not even the gravity

It's hard to keep my feet on the ground
the way I'm feeling right now
no gravity could be
ever containing me.
no, no, no-o-o
