You told me it's a dream to be
The one who spends the night with me
We made love till the morninglight
And you did everything just right

I don't care if you love me
'Cause I don't love you anymore
I don't care if you need me
I know it can't be good for me

The love left at the break of dawn
While you were sleeping, sleeping on
I wrote a letter on the floor
'Cause I don't love you anymore

I don't care if you love me
'Cause I don't love you anymore
I don't care if you need me
I know it can't be good for me

I don't care if you love
'Cause I don't love you
Anymore

I don't care if you love me
'Cause I don't love you anymore
I don't care if you need me
I know it can't be good for me

It can't be good for me
