(By a moonlight shadow, moonlight shadow, ...)

The last that ever she saw him  
Carried away by a moonlight shadow  
He passed on worried and warning  
Carried away by a moonlight shadow

Lost in a riddle  
That saturday night  
Far away on the other side  
He was caught in the middle of a desperate fight  
And she couldn't find how to push through

The trees that whisper in the evening  
Carried away by a moonlight shadow  
Sing a song of sorrow and grieving  
Carried away by a moonlight shadow

All she saw  
Was the silhouette of a gun  
Far away on the other side  
He was shot six times by a man on the run  
And she couldn't find how to push through

I stay, I pray  
See you in heaven far away  
I stay, I pray  
See you in heaven one day  
(one day ...)

Four A.M. in the morning  
Carried away by a moonlight shadow  
I watched your vision forming  
Carried away by a moonlight shadow

Star was light  
In a silvery night  
Far away on the other side  
Will you come to talk to me this night  
And she couldn't find how to push through

Lost in a riddle  
That saturday night  
Far away on the other side  
He was caught in the middle of a desperate fight  
And she couldn't find how to push through
