Terence Trent D'Arby
The Hardline According to...

RAIN

Take off your topcoats
Put on your raincoats
And now give up your birthright
And don't you cry
'Cause in 23 verses now
A storm is a-comin'
And you'll be too surprised
To wonder why

And it will
Rain rain
Go away, go away
Rain rain
Come back again another day

Step out your cool suit
Snap on you wet boots
And now eat all you mushrooms
Until you see
That in 22 verses now
A storm is a-brewin'
And you'll be too annoyed
For victory

'Cause it will
Rain rain
Go away, go away
Rain rain
Come back again another day

China glass &
A chocolate bar
I'm leaving behind
So my children's children
Children's children

Will see what's left of me

Cue up the James Brown
And jack up the funky sound now
Say it won't be the last time
You hear a scream
'Cause in 21 verses now
A storm is a-ragin'
And you will satisfy your destiny

And it will
Rain rain
Go away, go away
Rain rain
Come back again another day
