I took a good look at my life  
And what I saw it made me cry  
But there was nothing I could do  
But lift my head up to the sky and  
Surrender

I took a good look at my friends  
And I saw that they were thieves  
Because they were stealing precious time  
So I dropped down on my knees and I  
Surrendered

I took a good look at my soul  
And saw a liquid dancing fire light  
And the seed of man's most evil stare  
Could not deny my joy tonight  
Surrender

I am a liquid dancing firelight  
I don't believe in the existence of sin  
But I believe in me and I believe in you  
And that's enough to believe in  
Surrender
