Pure and punished  
Pure and punished  
Run away.. dreamer  
Nothing here for... dreamers  
Run away.. dreamer  
Nothing here for... dreamers  
Wild has turned me in  
Kill and perish!  
Kill and perish!

Dirty dreams don't vanish  
Clean days disappear  
Dirty dreams don't vanish  
Clean days disappear

Won't you wash my crime away?  
Won't you wash my crime away?  
Won't you wash my crime away?  
You washed my crime away  
You washed my crime away

Oh, oh, make me pure  
Oh, pure and punished

Lure the Christ like Lucifer  
Lure the Christ like Lucifer  
Lure the Christ like Lucifer

Won't you wash my crime away?  
Won't you wash my crime away?  
Won't you wash my crime away?  
You washed my crime away  
You washed my crime away  
Make me pure and punished  
Make me pure and punished  
Make me pure and punished  
Make me pure and punished  
Make me, make me, make me pure  
Make me, make me, make me pure  
Make me, make me, make me pure  
Make me, make me, make me pure
