### "Greatest Time Of Year"

It's the greatest time of year, and it's here,  
Help me celebrate it  
With everybody here, friends so dear,  
Let me simply state it  
It's our favorite way to spend the holiday  
Yeah

There's a special kind of feeling in the air  
It only happens at this time of year  
When everyone is filled with love and cheer  
'Cause that's what matters

Pretty paper boxes tied with bows  
Walking in the sun or in the snow  
We can feel the excitement growing, knowing

It's the greatest time of year, and it's here,  
Help me celebrate it  
With everybody here, friends so dear,  
Let me simply state it  
Joy to the world and everyone,  
Lift up your hearts and feel the love  
It's our favorite way, to spend the holiday  
Yeah

We can get all cozy by the fire  
Turn the music up a little higher  
I don't think that I could ever tire  
Of being together  
Decorate the tree, hang mistletoe  
And stand by me

It's a picture perfect moment captured,  
Memories that we'll have after

It's the greatest time of the year, and it's here,  
Help me celebrate it  
With everybody here, friends so dear,  
Let me simply state it  
Joy to the world and everyone  
Lift up your hearts and feel the love

It's our favorite way, to spend the holiday  
Yeah

Spend the holidays...

It's the greatest time

It's the greatest time of year, and it's here,  
Help me celebrate it  
With everybody here, friends so dear,  
Let me simply state it  
Joy to the world  
Joy to the world  
Joy to the world  
It's the greatest time of year  
It's the greatest time

It's the greatest time of year, and it's here,  
Help me celebrate it  
With everybody here, friends so dear,  
Let me simply state it  
Joy to the world and everyone  
Lift up your hearts and feel the love  
It's our favorite way, to spend the holiday
