I tell you what I really need
A man who knows what he wants
And knows how to please me
He got a style oh so sexy
And when he gets me all alone you know daddys home
So come on baby play with me
Now I dont wanna, I dont wanna
I cant stand to beg and plead
But you got me hot you got me right
You give me everything I need
Yeah
I like the way you do do work my body
Do do get me hot
You make me wanna ah ah
The way you do do work my body
Do do get me hot
You make me wanna scream ya name
Bet you never met a girl quite like me
Im a hold you down boy
Show you some things youve never seen
Heres your test boy
Will you pass?
Can you work me work me work me
Ill be your teacher
You get an A+ if you know how to make me scream Oh
I dont wanna, I dont wanna
I cant stand to beg and plead
(come on baby gimme gimme what I want)
But you got me hot you got me right
You give me everything I need
(I need you right now! Lets go!)
Yeah
I like the way you do do work my body
Do do get me hot
You make me wanna ah ah
The way you do do work my body
Do do get me hot
You make me wanna scream ya name
You got that whipappeal
Im really gonna put it on ya
You got that thang
You make me wanna scream ya name

I dont know what you do when you do it
But every time you do you get me fiending you and
I dont wanna go to rehab if youre my drug
And if its wrong I dont wanna be right
I like the way you do do work my body
Do do get me hot
You make me wanna ah ah
The way you do do work my body
Do do get me hot
You make me wanna scream ya name
I like the way you do do work my body
Do do get me hot
You make me wanna ah ah
The way you do do work my body
Do do get me hot
You make me wanna scream ya name
