

X-Ray Spex "A Little Love"

Visit "[A Little Love](#)" on MotoLyrics.com

Here we are
I know where I belong
you're holding me close in your arms
Face to face
I know that I can see
that you are the one love for me
Sometimes when I miss you baby
tears fall from the sky
Sometimes when I kiss you baby
it's forever and ever baby

Give a little love to me baby
(just a little love)
give a little love so I'd never let go
It'd be breaking my heart
if they'd tear us apart
so give a little love to me baby

You say my name
and whisper in my ear
I wish you could always be near
Hold me close
you're running through my veins
without you I'm going insane
Sometimes when I miss you baby
tears fall from the sky
Sometimes when I kiss you baby
it's forever and ever baby

Give a little love to me baby
(just a little love)
give a little love so I'd never let go
It'd be breaking my heart
if they'd tear us apart
so give a little love to me baby

Just a little love yeah yeah
give a little love

Give a little love to me baby
(just a little love)

give a little love so I'd never let go
It'd be breaking my heart
if they'd tear us apart
so give a little love to me baby

Sometimes when I miss you baby
it's forever and ever baby...
