I've been driving around all night  
wondering what to do  
the music on my radio  
it only reminds me of you  
I've been waiting all night long  
I know you won't let me down  
you know I can't stop  
till I've reached the top  
I just wanna hear that sound

I can't let go  
yeah babe  
I wanna know you're mine  
cause I need you so  
Babe I can't let go  
I can't let go  
yeah babe  
I wanna know your mine  
cause I need you so  
and babe I can't let go

Satin sheets on my bed  
it's empty as can be  
I often think of you for a while  
yeah I want you close to me  
I've been waiting all night long  
I know you won't let me down  
you know I can't stop  
Till I've reached the top  
I just wanna hear that sound

I can't let go  
yeah babe  
I wanna know you're mine  
cause I need you so  
Babe I can't let go  
I can't let go  
yeah babe  
I wanna know your mine  
cause I need you so  
and babe I can't let go

I can't let go  
yeah babe  
I wanna know you're mine  
cause I need you so  
Babe I can't let go  
I can't let go  
yeah babe  
I wanna know your mine  
cause I need you so  
and babe I can't let go
