I clambered over mounds and mounds  
Of polystyrene foam  
And fell into a swimming pool  
Filled with fairy snow  
And watched the world turn day-glo  
you know you know  
The world turned day-glo you know

I wrenched the nylon curtains back  
As far as they would go  
And peered through perspex window panes  
At the acrylic road  
I drove my polypropylene  
Car on wheels of sponge  
Then pulled into a wimpy bar  
To have a rubber bun

The X-rays were penetrating  
Through the laytex breeze  
Synthetic fibre see-thru leaves  
Fell from the rayon trees
