Cant you see?
You are the only one for me
Its destiny
Girl you know I love you
You know I always will
Its like forever in one day
Its feels like time stood still
You know I will go
Where you want to go
Wanna feel you close to me
How could I know?
And I love you so
Cant you see?
You are the only one for me
Its you and megjhgjere meant to be
Its destiny
Now I know I found you
Ill never walk away
Throught the good and bad times
Its you that make me stay
You know I will go
Where you want to go
Wanna feel you close to me
How could I know?
I love you so
Its destiny
You know I will go
Where you want to go
How could I know?
And I love you soo
Cant you see?
You are the only one for me
Its you and me
Baby it's like were meant to be
Its destiny
Its destiny
Its destiny
