You're running much too fast
but you can't hide from your past
my love for you still strong
how could I treat you oh so wrong
time is passing by
I wonder how I wonder why
you don't want me in your life
you know it cuts me like a knife
maybe one day you'll understand
so baby take my hand
and shout it out

Say you love me, like I love you
say you need me
girl I want you back
like a maniac yeah yeah
Say you love me, like I love you
say you need me
girl I want you back
like a maniac yeah yeah

I just want you to know
that I'm sorry that I let go
if I could only turn back time
oh how I wish that you'd be mine
maybe one day you understand
so baby take my hand
and shout it out

Say you love me, like I love you
say you need me
girl I want you back
like a maniac yeah yeah
Say you love me, like I love you
say you need me
girl I want you back
like a maniac yeah yeah

I face it like a man
thought it hurts me deep inside
and I feel so lost

when I look into your eyes

Say you love me, like I love you
say you need me
girl I want you back
like a maniac yeah yeah
Say you love me, like I love you
say you need me
girl I want you back
like a maniac yeah yeah

Say you love me, like I love you
say you need me
girl I want you back
like a maniac yeah yeah
Say you love me, like I love you
say you need me
girl I want you back
like a maniac yeah yeah

yeah, I want you back...
like a maniac
