Put your hands up  
Put your hands up  
Everybody in the house put your hands up  
Once upon a time  
A time when you were mine  
We filled each other's heart  
There was no tearing us apart  
I saw it all fall down  
My world just hit the ground  
I had to go, break away  
But there's no future out that way  
It's messing with my mind  
This love I can't define  
Am I dreaming?  
You look into my eyes and tell me  
It's only love  
I'm thinking of baby  
You make me feel  
So mighty real baby  
I got to let you know  
Before you're gone  
You're my number 1  
It doesn't make no sense  
My love and condifent  
Sends shivers down my spine  
But keeps me hanging on the line  
There's so much going on  
Don't know where I belong  
But don't worry  
Just look into my eyes and tell me  
It's only love  
I'm thinking of baby  
You make me feel  
So mighty real baby  
I got to let you know  
Before you're gone  
You're my number 1  
Put your hands up  
Put your hands up  
Everybody in the house put your hands up  
It's only love

I'm thinking of baby  
You make me feel  
So mighty real baby  
I got to let you know  
Before you're gone  
You're my number 1  
Yeah yeah  
Tell you baby  
You're my number 1
