Ooh pump it!!!
One step up
And 2 steps down
I keep on knockin'
But you won't come down
Face the fact
We both know
Come on honey now I won't let go
Everybody's crazy
All right
Everybody's moving
That's right
Wanna be your baby
All night
Come on be my baby
Hey pump it
Hey pump it
Hey pump it
Ooh pump it !!!
All I need
Is 4 you to say
Come on baby
Won't you come my way
All I want
Is to make you see
That baby
You belong to me
Everybody's crazy
All right
Everybody's moving
That's right
Wanna be your baby
All night
Come on be my baby
Hey pump it
Hey pump it
Hey pump it
Ooh pump it
Tell me now
What do you see?
Do you wanna have

A peace of me?
Come on
Let me hear you scream
Na na na yeah
Make a wish
Close your eyes
A kiss and fantasise...
Hey pump it
Hey pump it
Hey pump it
Ooh pump it!!!
