Let me hear you say
It's alright
Cause tonight
Your body next to mine
In my dreams
In my mind
On and on
The beat goes on
Till the break of dawn
There's a fire burning
Let the feeling take
Control
Of your body and soul
Shout it out
I say yeah, Baby
I say yeah, Baby
I wanne make you mine
You're so cool
You're so fine
I wanne make you see
That we're 2
Of a kind
On and on
The beat goes on
Till the break of dawn
There's a fire burning
Let the feeling take
Control
Of your body and soul
Shout it out
I say yeah, Baby
I say yeah, Baby
I say yeah, Baby
I say yeah, Baby
