Hey pretty babe, you tell me maybe
wanne rock your world today
I gotta say, you take my breath away

you're snazzy, you're always on my mind
you're snazzy, this love I can't define
you're snazzy

Tonight I feel alright and I told myself
I will make you mine oh mine
it's saturday night
and you're always on my mind

you're snazzy, you're always on my mind
you're snazzy, this love I can't define
you're snazzy

Burn baby burn, tonight I yearn
I just don't know what to say
right away, but I'll say it anyway

you're snazzy, you're always on my mind
you're snazzy, this love I can't define
you're snazzy
