Sometimes baby.
You said that I've gone too far
the things I've said and done
but you really, really, really don't know me

So I danced all night to the beat of a new day
the pedal to the metal, gonna get my way
naked to the bone
you know I'm out to get you

Whooooo.....You're my lucky number
Whooooo.....You're my lucky number

Come on girl, you know that I want you back
I just can't get enough
and this attitude is driving me crazy

So I danced all night to the beat of a new day
the pedal to the metal, gonna get my way
naked to the bone
you know I'm out to get you

Whooooo.....You're my lucky number
Whooooo.....You're my lucky number

Move slow
I've got to let you know
Into my heart
and into my soul
I've got to tell you baby
I let it flow

Whooooo.....You're my lucky number
Whooooo.....You're my lucky number
