It's Xscape
For tha 95
And you know how they do
So just lay back, kick it
And let's get live

Verse 1

Ladies, who often do you have
A man that makes wanna cry
A man that makes you wanna laugh
Sistas, well I think I found the one
He does everthing I like
And knows how to get the job done
He makes me

Chorus (2 times)

Clap my hands
Stomp my feet
Every little thing that you do to me
Feels so good, feels so good

Verse 2

Ladies, Never ever felt this way before
He makes me feel so good
He keeps me wanting more
He makes me feel so good, so good
From my head to my toes
Everything that this man does
Everyone should know
And I

Bridge

Don't ever wanna loose this feeling
His love is real i'm willing to stay right by his side
Cuz I know he'll always be mine
The way touch makes me loose all control

And when you have a man like that
Love dictates your soul
He makes me hey

Chorus (4)

(JD)
This for those
That like to pop the trunk
And let it bump, bump, bump

(Chorus until fade)
