Hoo...ooh...oh...oh...  
Hoo...ooh...oh...oh...  
Hmm...oh...

Suddenly, it happened so fast  
I couldn't believe the news that I received  
My heart stopped as I hit the floor  
I fell to my knees cryin', "Lord, help me"

No matter what times brings  
Or the changes we go through  
In life there's some things  
We just can't prepare for

I don't care what they say  
Don't care what they do  
I don't care what they think  
Gonna love you for the rest of my life

Don't they know  
True love never dies  
I promise to love you  
For the rest of my life

Life goes on, that's what they say  
Time will heal all your pain away  
But I feel, feel so alone and  
Now you're gone, how can I live on

No matter what times brings  
Or the changes we go through  
In life there's some things  
That we just can't prepare for

I don't care what they say  
Don't care what they do (What they do)  
I don't care what they think (Some times I love you)  
Gonna love you for the rest of my life (Yeah)

Don't they know (True love)  
True love never dies (It never, never, never, never)

dies)  
I promise to love you (Gonna love you, gonna love you)  
For the rest of my life (For the rest of my life, ooh)

Until I see you again  
Iâ€™ll hold on to sweet memories, yeah  
Iâ€™ll treasure the times we spent  
I see your eyes, you realize  
I see your face, I see your smile  
Callinâ€™ out my name

I donâ€™t care what they say  
Donâ€™t care what they do (What they do)  
I donâ€™t care what they think (Iâ€™m gonna love you,  
Iâ€™m  
gonna love you)  
Gonna love you for the rest of my life (For the rest  
of my life)

Donâ€™t they know (True love)  
True love never dies (Never dies, no)  
I promise to love you (Gonna love you)  
For the rest of my life (For the rest of my life)

What they say  
What they do (I donâ€™t care, baby)  
What they think (Iâ€™m gonna love you, Iâ€™m gonna love  
you)  
Gonna love you for the rest of my life

I donâ€™t care what they say, I donâ€™t care what they do  
What they think  
'Cause I promise (I promise)  
To love you for the rest of my life  
For the rest of my life
