[Verse One (Kandi):]

Come a little bit closer and look into my eyes,
If only for a moment, boy don't be surprised.
I want you right here next to me,
So tell me we can spend some time.
So I can hold you softly,
In these gentle arms of mine.
And the moonlight's gazing, ooh,
Shining on my window pane,
Beaming down on the midnight hour,
I hear the sound of rain.

[Chorus:]

Tonight, tonight, ooh...
Tonight, tonight, ooh...

[Verse Two (Tamika):]

So why don't you stay awhile,

I can't help it if you put me in a daze boy.
But you look so good to me,
In your satin PJs.
So let's make love by candlelight,
And listen to the quiet storm.
As I kiss you in the places,
That make your body warm.

[Repeat Chorus]

[Break:]

I'm holding you

[Repeat x6]

Holding you tight all through the night

[Repeat x2]

Looks like it's gonna rain

[Repeat x4]

Holding you tight all through the night

[Repeat x2]

Tonight.
