Approximately fifty years ago
under the direction of President Harry Truman
and in the interest of national security
A group of twelve top military scientific personnel were
established
This group's primary objective
was to desensitize us to the truth
And to suppress the material evidence that our planet
is being visited
by a group of extraterrestrial biological entities called
the grays

Yo, sometimes the road to the truth is, so elusive it's
confusin
And reality becomes illusion
If I showed the masses where we was at or where we
was goin
I'd shatter the social balance of the world as we know it
I'm talkin bout the grand deception, of 1947
When our souls were sold to the heavens
for technologically advanced weapons
Crystal enhanced, brain implants, and mind control
methods
MJ-12 is not majestic
And the focal point of our problems on this planet are
not domestic
You can accept it or be stupid and be a skeptic
and fail to recognize the secret society's deathwish
Ninety-seven percent of our Presidents were Masons
Responsible for launderin trillions of dollars from the
nation
for the construction of underground military
installations
Abductions and cattle mutilations
Experiments on human patients
can take place in several subterranean bases
A hundred and fifty stories below a basement

With knowledge of genetic information, you need to
fear science not Satan
Cause through the manipulation of certain biological
agents
they create strange creations
Top secret special operations
Low frequency sounds and lasers, people like Carl
Sagan
that didn't believe in the Drake equation
were tryin to keep Western civilization on the need-to-
know basis
Well you need to know that this is a game
and we're bein betrayed and played in the worst way

Yo, the holy script from Genesis 1-26
says, "Let us make man in our image under our
likeness"
First of all who's THEY? You see if God
was truly a single entity that's not what he would say
We as the Elohim, Gods and Goddesses
possess a marvelously monstrous subconscious
Lifeforms that speak, in very high pitched sounds and
squeaks
Short staccato clicks and beeps
A highly advanced form of speech
Even though to us it seems like they only chatterin they
teeth
They used to swim deep in the oceans beneath
Til they fins transformed into limbs and they started to
creep
Then they evolved into mammals with feet
And walked right from the shorelines onto the beach
They used gravity, cause it's actually the only force
around
that could slow time and the speed of light down
The energy grid network, opened the gateway from
Earth
to any point in the universe
Livin organisms and various, geomagnetic
gravitational, anomaly areas
Space expedition teams in the lunar regions
reported seein, decapyramids and tetrahedrons
Liquid filled shoes, is what they used
to walk across the moon without leavin a clue
of where they been for the past twenty-three billion
years
Before life on the surface even appeared
I hope you become aware what I'm spittin in your ear

was intended to stimulate your left-brain's hemisphere
I know it sounds weird, all these motherfuckin answers
and questions to the grand deception
