jab se mili hai nazar
dil hai meraa dagar magar
dagar magar
jab se mili hai nazar

pahale to dekhate the hamako vo duur se
sharm se majabuur se
ab to hain puuchhate vo
ai ghar teraa hai kidhar
ghar hai kidhar
jab se mili hai nazar

pahale vo bolate the dhimi aavaaz me
phir rahen hain taar naye ulfat ke saaz me
ulfat ke saaz me
uthati hai ek nayi lahar
dil hai meraa dagar magar

kahane kam ko dijiye vo hamaare saath ho
haathon me haath ho taaron bhari raat ho
kahane vaale kuchh kahen
hamako kyaa hai kisakaa dar
hai kisakaa dar
jab se mili hai nazar
