The urge to take you grows more strong  
For time had made me wait too long  
Each watch I smash apart  
Just adding to my power  
Each watch I smash apart  
Just bringing near the hour  
Of 25 o'clock, that's when you're going to be mine  
25 o'clock, we'll be together 'til the end of time  
At 25 o'clock

The ticking seconds hear them call  
My spell of hours will make you fall  
Each timer that I break  
Will halt the flowing sands  
Each timer that I break  
Will put you in my hands  
At 25 o'clock, that's when you're going to be mine  
25 o'clock, we'll be together 'til the end of time  
At 25 o'clock

Each watch I smash apart  
Just adding to my power  
Each watch I smash apart  
Just bringing near the hour  
Of 25 o'clock
